60-DAY WAIVER REQUEST FORM
RULE 4751-1-08

Amended rule 4751-1-08 permits the Board to grant a variance to the time frame for submittal of applications for approval of continuing education courses or programs upon a showing that a recent change in state or federal regulatory requirements affecting the nursing home industry requires prompt approval of the course or program so that nursing home administrators can receive timely information relative to compliance with the requirements. It would not alter the 60-day requirement for submittal of all other course approval applications.

If you are requesting a waiver of the 60-Day Rule, please answer the following questions. Be specific. If you fail to answer any of the following, your request will be denied. Completed form must be submitted with an E-2 Program Approval Application.

1. Name of Provider: _____
